Prayer Letter (55)
August 2018

Dear friends and family,

“Bless the Lord, O my soul. Praise the Lord” (Psalm 104:35b) Praise the Lord for He is faithful and merciful. One of the highlights this month is the celebration of our 40th wedding anniversary. We celebrated with a delicious cake after the Sunday Service. Through all these years we have experienced ups and downs as all couples go through. Only the love of our Father keeps us together and makes our relationship stronger!

After two months in Canada during June and July we came back and are so encouraged to see our church attendance has been growing. Some ask friends and some relatives to attend our Sunday service. Pray that they will find Jesus as their personal Saviour soon.

Joanna, the 3rd child of Simeon and Phung arrived. She is our 5th grandchild. She has jaundice and was in the hospital for two days. Mom and baby are home now. Please pray for the adjustment of the older sister and brother.

Thank you for praying and supporting our ministry in Cambodia. Please continue to praise and prayer for our needs.
