TO Pak Him
Prayer letter (3)
June 2021

Hi ,Everyone,

I am currently in Hong Kong and have just finished my first year of study in CUHK. I had to restart my university career and start at the first year again. It might seem like I had wasted a year, but I used this year to learn new things. I learned to write calligraphy, the basic techniques of Chinese painting, drawing fundamentals and sculpting in plaster. I also learned to adjust to the Hong Kong lifestyle, with little problems. The way I speak with others is the same way I speak at home. The high speed transport hasn't changed much over the years. The only struggle I had was with reading Chinese characters as I had forgotten most of the words. Thankfully, this isn't too much of a problem because, in many places, there are the English translations next to its Chinese word. This is also the same in CUHK and the resources I use to learn. I hope to progress to the year two and continue to find my way through Hong Kong.

Regards,
Pak Him
