TO Pak Him
Prayer letter (5)
January 2023

Hi All,

I am now in my third year of study, and everything is going well. I have learnt some new art techniques and perfected some of my old techniques. I am also learning some art history in Korea, Japan and China, and I am fascinated by how these countries and cultures influence each other throughout their history.

I am going to graduate soon and will need some guidance to what I will do after graduation. I have done some part-time jobs, but none of them are suitable for me. I have worked in the university library. I have done some tutoring. I have also tried taking photos for others. But none of them spark my interest to continue. Therefore, I need prayers for my future career.

And lastly, I am doing well outside of my studies. I have made good friends at my church fellowship, and in CUHK. I have a wonderful time exploring Hong Kong's secrets. And I have read many good books in Hong Kong libraries.

All in all, I am doing well.

Regards,
Himson
