Prayer letter (6)

September 2025

Dear Brothers and Sisters in Christ,

Thank you for all your prayers and continued support. Praise God! Through His grace, I am at last entering my final year of university here in Bristol. It has been a long journey, starting my bachelor's degree in the Netherlands to changing courses and restarting in the University of the West of England, I thank God for His faithfulness and guidance in my every step to this day. I am beyond excited to start this term and to conclude this chapter of my life, doing my best to honour God in my studies and in the day-to-day.

Following my last update letter, I continue to praise God for the Church family I've come to be a part of in Bristol. I am constantly filled with joy as I worship and serve alongside the brothers and sisters that I've found. Pray that God continues to use me, in any capacity big or small, to bring Him glory and reflect His love to those around me.

A few prayer requests as I conclude this update: first, that in this forthcoming school year I may be a good steward of the time, resources, and opportunities I've been given, to be wise in my scheduling and time management, and to honour God by finishing my studies to the best of my ability. Secondly, for my future career, that God may open doors after graduation and put me in places He wants me to be in. And lastly, but most importantly, a prayer of thanks for all that He has given me and all the lessons I've been taught throughout my past few years of university. Praise God for His son Jesus, that through His work on the Cross I do not have to pay the consequences for my many mistakes and sins, but by grace am instead given chance after chance to pick myself back up, dust myself off, and go again.

As always, I thank you, brothers and sisters, for your prayers and support throughout all these years. God bless you all.

Kind Regards,

Jireh Wu
