Prayer Letter (46) 2016/10

Dear friends and family,

Greetings in the name of Jesus Christ, our Lord. In Cambodia we just celebrated Pchum Ben festival; it lasts for 15 days from September 18th to October 2nd. The Cambodians believe that during this time the spirits of their ancestors are released to look for food in this human world. So they go to at least 7 temples to offer food to the monks so that their ancestors can be filled. It seems nonsense to us but they are blinded. "The god of this age has blinded the minds of unbelievers" (2 Corinthians 4:4). Let us pray that the Cambodians will open their minds that they will turn to trust the Creator God who is the only true God who can hear and watch over them. They will be free from the bondage of their culture and custom which are used by Satan to bind them in darkness. Also pray for the Christians especially for the leaders that they will be light to this dark world. Because of idolatry which make them unfaithful to God and then causes adultery among them. Please continue to give thanks to God and pray for us, thank you.

Praise items:

- We went to the Holy Land with the members of our mother's church at the end of July. It makes more sense to us when we read God's word. Also we see how God's promises have been fulfilled so we can trust His word more.
- During the holiday another missionary from our mission came to visit us. We read God's word together and she prayed for us. We are encouraged to start more Bible classes to teach our members.
- We have more children at our school, 40 plus students and about 35 toddlers at our nursery.
