Lisa & Joseph Ng  
Prayer Letter ( 74 )  
November 2021

Dear Family and friends,

Greetings from Canada! The weather is getting cold; we had the first snow fall on October 29. But our hearts are warm knowing your love and care for us. The cases of Covid have been lower in the past months in Canada as well as in Cambodia. Thank God for His grace and mercy and the vaccines. Even in Cambodia many people have the 3rd shot of the Sinovac vaccine. People infected with covid virus there are only about 100 cases per day!

As Christmas is near, we have hope because of the birth of Jesus. Jesus, the Savior of mankind who came to rescue us from sin and give us eternal life!

Thank you for supporting us through your care, concern and especially your prayers! The following are our praise items and prayer requests.

Praises:

- The Livingstone Church in Cambodia is open for in person worship starting on November 7.
- Our Sonlight Kindergarten has been open since November 1. There are more than 10 students and 10 toddlers in our nursery.
- Our youngest grandson, Mattias's kidney is getting better. Before he needed an ultrasound every 3 months. Now he needs it every 6 months.
- Liza has found a good dentist; she has all the dental work done for now.

Prayers:

- Our Livingstone Church co-workers: Phalla and Savy that they are zealous to bring people to Christ and disciple them.
- Udom who begins his 2nd year of Bible School training will apply God's word in his life and ministries.
- God's protection for people from Covid virus who come to Sunday worship in person, and our staff and students.
- Youth fellowship and children Sunday school can meet again. Pray that they are eager to come back to seek God.
- Sonlight Kindergarten: administrator, Sorphorn that she has wisdom to lead the school.
- Joseph's hernia operation will be postponed to next year because there are forty patients ahead of him.

We would love to hear from you and pray for you!

In Christ,  
Joseph and Liza Ng
