Prayer Letter (77)
April 2022

Dear family, brothers and sisters in Christ,

Isaiah 55:8,9 *“For my thoughts are not your thoughts, neither are your ways my ways,” declares the Lord. “As the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts.”* We can identify this verse in our Living Stone Church! There were 2 incidents that were not good in man’s eyes with our church lady worker, Savy. Firstly, she had an argument with the administrator of our school. That brought hurt and anger on both sides. Our church worker stopped buying food for the school, so she does not eat lunch with the school staff and students. Instead, she eats lunch on the third floor with her husband, Phalla. Praise God with the help from Him and interaction from Angel Gao, our new missionary the two ladies reconciled. Secondly the internet does not work well at the church office, so Savy had to go to the third floor where Phalla's office is. Angel told us that Savy and her husband have been spending more time reading God's words, praying, and talking together. God's thoughts and ways are much higher than ours.

We are doing well in Calgary. Enjoying the spring that is finally here! We are still praying with Phalla and Savy 4 times a week and studying God's words once a week with them, and Udom, our part time worker and his wife as well. Through all these we can know about their needs, and we can support one another. God's words are sharper than the two-edged sword that pierces into our soul and spirit. All of us have grown spiritually and trusted God more and more! God is so good!

Thank you very much for supporting us in different ways. Please praise God and pray for us.

Praises:

- The annual tax of our local mission through e-filing was successfully done and submitted.
- The special Valentine's Day meeting for the School's nannies and their husbands was well attended. Pray that we will have more ways to reach out to the husbands.
- More and more students and toddlers have been registered at Sonlight kindergarten.

Prayers:

- Phalla and Savy unite with one heart with Angel Gao to serve God and His people.
- Joseph, the son of Phalla and Savy, that he walks closely with God.
- Our elder son, Simeon, is looking for a job, his wife has a part-time nursing job. Please pray that they can trust God for providing all their needs.

Thank you. Have a blessed Easter celebration! May Jesus’ resurrection power be with all of you!

In His name,
